WELCOME TO MEDYTEC !

Located in the BIOPOLIS incubator, La Tronche, Medytec comes as a result of a collaboration bringing together research, training and clinical institutions, as well as competitiveness clusters and centres. A unique and complementary association of skills and stakeholders which has made Grenoble Alpes a reference ecosystem for innovation in healthcare.

MEDICALPS, the healthcare industry cluster in the heart of French Alps, is in charge of it's management.

Unique place that brings together and represents the excellence of the healthcare technologies in Grenoble Alpes. A showcase for the strengths and ambitions of this industry, Medytec also host multiple events.
